With Belvedere in my truck
Can you feel it? (What!)
Cause this is how
We live in trucks

Get live wit it (twerk it)
Work it, twerk it Work it, twerk it
Let's go Turn it up I, burn it up

Ay, lemme see who earnin ducks
Jeep Ass Niguh, burn ‘em up
Make niggas nod when they ride they cars
Dilla come out, niggas hide they cars

Twenty-inch chrome rims with the gold dip, nigga
Wanna go bigger, but they ain't gon' fit
Seen this nigga with deuce-tres on his
In the trucks, them girls be on
Bounce all day til the early morn

And if you in the truck right now then honk ya horn

Four, big, wheels, with the TVs to match
And all, through my system, tweeters and knock
My truck set off alarms, when it beat up yo' block, let's go

In the hot whip. switchin lanes

All truck niggas let yo' system BANG!

Here in my truck, With Belvedere in my truck
It got me feelin f*cked up
But this is how we live in trucks (TRUCKS)
