

## 25 To Life

J. Holiday

You want all my freedom, take my rights  
I'm sleepless for you, don't turn to plan at this time

Oh, I hope this makes us even, girl  
I know the shit I put you through never gets any easier  
But this time, I'm tellin' you

I just wanna spend my time lovin' you, only you  
Give me 25 to life and, baby, I'll give it all up for you, only you

Put me in solitary, so no one else can break in  
You know I'm too dangerous out here with everyone else  
Breakin' hearts, it's too late and you already know  
And I'm guilty as charged

I hope this makes us even, girl  
I know the shit I put you through never gets any easier  
But this time, I'm tellin' you

I (oh) just wanna spend my time lovin' you, only you  
(I just wanna spend my time lovin' you) (Only you)  
Give me 25 to life and, baby, I'll give it all up for you, only you  
(Give it all up for you, oh, I)

Just lock me up  
(My judge and my jury)  
(The verdict's in)  
Just lock me up  
(My judge and my jury)  
(Just put me in)  
Just lock me up  
(My judge and my jury)  
(The verdict's in)  
Just lock me up  
(My judge and my jury)  
(Just put me in)

I'm tellin' you I (I)  
Just wanna spend my time lovin' you (hey), only you  
Give me 25 to life (yeah) and, baby, I'll give it all up for you, only you  
(Give it all love for you)  
Only you (Only you, oh, oh, I)  
Oh, yeah, yeah-yeah  
Holiday, yeah, yeah  
25 to life  
Just lock me up  
Yeah
