

# Baptize

J. Holiday

Shake you like thunder  
You're a rip tide  
Pull me in drag me in under  
Oh I'm satisfied

Oh my oh my oh my my  
Take me to your waterfall  
I think I need to take a deep dive  
Drown me in your waterfall  
Cause I wanna be baptized  
In you  
In you  
In you  
In you

Strike you like lighten  
Every moan is like a song  
I'm on the edge your like a siren  
Girl you keep me satisfied

Baby oh my oh my oh my my  
Take me to your waterfall  
I think I need to take a deep dive  
Drown me in your waterfall  
Cause I wanna be baptized  
In you  
In you  
In you  
In you

Bathe me in your river baby  
We can make this a holy place  
Purify let me testify  
That tonight I've been baptized

Take me to your waterfall  
I think I need to take a deep dive  
Drown me in your waterfall  
Cause I wanna be baptized  
In you  
In you  
In you  
In you

Take me to your waterfall baby  
Drown me in your waterfall baby  
In you  
In you  
In you  
In you
