Always, I need it too  
When I said I do  
Courage and faith  
Rhythm of positivity  
Always, I need it too  
When I said I do  
Walking into the future  
With a step of hope  
I was

I was, I was, I was, I was  
Yeah, I was just a native (Hmm-hmm)  
I was, I was, I was, I was  
I was a kid who only liked dancing (Hmm-hmm)  
It's me, it's me, it's me, it's me  
Thanking for a given life (Hmm-hmm)  
It's me, it's me, it's me, it's me  
It's the most appropriate and me right now  
You always fight with yourself  
In the end, my heart is covered with bruises  
As if I'm wearing something else, try on  
Like you, like driving  
Step on it once  
Why would I bleed?  
Why would you move?  
It will eventually change  
Nothing lasts forever  
You know, we know, I know  
Going up the river  
It can't be salmon

Always, I need it too  
When I said I do  
Courage and faith  
Rhythm of positivity  
Always, I need it too  
When I said I do  
Walking into the future  
With a step of hope  
(Future)

I can just decide on my own  
Something that cannot be decided (Future)  
The closer you get, the scarier it gets  
It's hard to endure alone (Future)  
Man, you must go with the flow  
Let's just go with the flow (Future)  
Looks like I need it too  
Betting on courage, faith, and hope
