

Did You See

J Hus

Eso es, esto es el remix
Did you see what...?
Did you see what I done? (Yeah yeah)
Did you see what I done? (Yeah yeah yeah yeah yeah)

(Eso es)
Os tengo a tos hablando, sí
Te estás perdiendo so te estao ganando yo
(Did you see what...?)
Joven reinando, un Mercedes blanco, llevo derrapándolo
Os tengo a tos hablando, sí
Te estás perdiendo so te estao ganando yo
(Did you see what...?)
Joven reinando, un Mercedes blanco, llevo derrapándolo

Putas y risas en la alfombra roja
Más problemas pero más panoja
Me hace ojitos pa' que la coja
Mueve ese bum bum duro, nunca floja (nah)
Cáliz rosa, tango y bolsa, she's ma' freakin lover
No es como otras, me gusta loca

Yeah, pegaíta a la pared
Me escucha y se pone pegá' a la pared
Yeah, pegaíta a la pared
Me escucha y se pone pegá' a la pared
(Eso es)
Mirar lo que he hecho
Un puñaíto hasta el millón derecho
Medallón al pecho
En un Mercedes que se le abre el techo

Did you see what I done?
Came in a black Benz, left in a white one
(Eso es)
I'm just a hoodlum, I came with my bonsam
When niggas wanna try somethin'
(Did you see)
Did you see what I done?
Came in a black Benz, left in a white one
(Eso es)
I'm just a hoodlum, I came with the bonsam
When niggas wanna try somethin'

Came smellin' like I've robbed a 9-bar
Lookin' for the baddest diva
Hol' up, let me analyse her, batty lookin' like a hypnotiser
Come let me try some, suttin' you can climb on
Oh, you're a shy one, who you tryna hide from?
Baby, jump in the black ride and put your friend in the white one
I'm a Benzo addict, pulled up in traffic
Me and my friends switched cars and it looked like magic
They never seen such a skinny man in a big puffer jacket
That's unfamiliar, I came lookin' like a bodybuilder
Out here's windy, yana, you're the one that I'm into, yana
Don't you wanna see the interior?

(Eso es)
Did you see what I done?
