

Fortune Teller

J Hus

You the one that I want, yeah, mi know, yuh know
She know I want her, she a fortune teller

I wear a skull cap like a 90's era (Uh)
Big man, yuh makin' a schoolboy error
Step out just to start 'causin' terror
The techno buster, the panty tearer
Make man dash if I lift my sweater (Run)
Man left his shoe like a Cinderella (What?)
How man wanna leave you Cinderella?
She can call my line if she want Nutella

You the one that I want, yeah, mi know, yuh know
She know I want her, she a fortune teller

How many times we went war together?
The way I back it out, wash a nigga
Come like Arnold Schwarzenegger

She like my ting cah my portion bigger

You the one that I want, yeah, mi know, yuh know

Heard them man had the next vendetta
Wash man's block but I'm a calm brudda
She peck on my wood, I call her Woody Woodpecker
She a throater, she a necker

Bonsam to your door, that's the homewrecker
Big man to the floor, I got the soul taker
