

## Must Be

J Hus

Man, you're guilty, say you're guilty by association  
Man, you're guilty, said you're guilty by association  
Now you're guilty, yeah you're guilty by association  
Ah-ah-ah, ah-ah-ah yeah

If it walk like an opp  
Talk like an opp  
Smell like an opp then it must be a  
If it look like an opp  
Chill with an opp  
Hang with an opp then it must be  
If it walk like an opp  
Talk like an opp  
Smell like an opp then it must be a opp  
If it look like an opp  
Chill with the opp  
Hang with the opp then it must be

I seen a man fucked up, seen a man locked up  
Blamed up, chopped up, downtown up top  
Man get the guap up then man get the droptop  
Gyal in a crop-top, man get the thumbs up  
Cah he got his funds up, outside non-stop  
Five man, one block, eating out of one pot  
We coming like Rambo, who's really on stuff?  
Homeless Columbo sitting by the bus stop

Let a couple man go, show man tough love  
Outside the bando man had a standoff  
The ting had extendo, show him how it bangs off  
Gyal in commando, she take the pant off  
Wish man bare love, show man nuff love  
Cool with some, got beef with the rest of  
If man slip, get up, dust yourself off  
Everyone F-off, yo

If it walk like an opp  
Talk like an opp  
Smell like an opp then it must be a  
If it look like an opp  
Chill with an opp  
Hang with an opp then it must be  
If it walk like an opp  
Talk like an opp  
Smell like an opp then it must be a opp  
If it look like an opp  
Chill with the opp  
Hang with the opp then it must be

You laugh with the opps, you smile with the opps  
You gon' cry with the opps, make 'em fly with the opps  
You're filthy guilty by association  
Put the location in my navigation  
It wasn't invasion, I didn't wanna ride  
But I had a temptation  
Every time I ride there I feel a sensation  
Every time I speak it's a money conversation

I try bring you part of the money operation  
But it didn't work 'cause of miscommunication  
Black boys never have no organisation  
You don't know yourself so you look for validation  
You were FU, ai where you get your information?  
I think he's an opp but I need a confirmation  
I see you with an opp, now you need an explanation  
But every time I see them it's an acceleration

If it walk like an opp  
Talk like an opp  
Smell like an opp then it must be a  
If it look like an opp  
Chill with an opp  
Hang with an opp then it must be  
If it walk like an opp  
Talk like an opp  
Smell like an opp then it must be a opp  
If it look like an opp  
Chill with the opp  
Hang with the opp then it must be

Man, you're guilty, say you're guilty by association  
Man, you're guilty, said you're guilty by association  
Now you're guilty, yeah you're guilty by association  
Ah-ah-ah, ah-ah-ah yeah

If it walk like an opp  
Talk like an opp  
Smell like an opp then it must be a  
If it look like an opp  
Chill with an opp  
Hang with an opp then it must be  
If it walk like an opp  
Talk like an opp  
Smell like an opp then it must be a opp  
If it look like an opp  
Chill with the opp  
Hang with the opp then it must be
