

# No Way

J Hus

They don't know, they don't know, they don't know  
They don't know, they don't know  
Why I roll around with that tooly and my shawty, she be a coolie  
And I dress her up in that Gucci but I'm never eating her coochie  
No, no way  
No, no way

I'm drinking rum and Red Bull  
And the ammy in my zoot makes me forgetful  
I won't remember your name, and I'm not to blame  
And these niggas wanna try me and that drives me insane  
That means it's tracksuit and it's joggers time  
That's the bottom line  
Now I'm the one that they wanna find  
I'm in the 15, you ain't one of mine  
I need a homegirl for the summertime  
Yeah, my homeboy is a fan of mine  
He's a homeboy, he don't wanna grind  
Make him boogie out like it's hammer time

When I draw for the, draw for the boom boom boom  
Ain't nobody, ain't nobody say-ay-ay  
Man'll withdraw the ting and clap man with it  
If Hus didn't bang off, then Axeman did it

They don't know, they don't know, they don't know  
They don't know, they don't know  
Why I roll around with that tooly and my shawty, she be a coolie  
And I dress her up in that Gucci but I'm never eating her coochie  
No, no way  
No, no way

Jollof rice on the dinner table, 9 stays right beside it  
Feds banging off the door and I'm tryna hide it  
Riding now, don't make Ps  
But I'm pissed off as man banged off my main squeeze  
Stay with my cool, but I still pray to God  
You wanna ride on me, you better weigh the odds  
I be in the Astra, dotty in the Merc  
My plug owes me Ps if this shotty doesn't work

When I draw for the, draw for the boom boom boom  
Ain't nobody, ain't nobody say-ay-ay  
Man'll withdraw the ting and clap man with it  
If Hus didn't bang off, then Axeman did it

They don't know, they don't know, they don't know
