Plottin

J Hus

Don't think I'm shy cause I'm quiet
I'm just plottin, I'm plottin
I got dem where I want dem
Still on tings if you're wondering
Don't think I'm shy cause I'm quiet
I'm just plottin, I'm plottin
I got dem where I want dem
Still on tings if you're wondering

You don't get gyal, fam you're bluffing
Got gyal from Stratford to Dublin
Got gyal from overseas travelling
Bring [?] in with her cousin
Confidence when I'm boppin, two compliments had her blushing
2 2 strokes had her bussing, you not my only gyal I got options
Being broke ain't no option
See the whip I just hopped in, see the gyal that just hopped in
Say she don't do this often, same thing she said to my bredrin
Can you imagine, but do your thing I ain't judging
Mash it up and start dashing

Don't think I'm shy cause I'm quiet
I'm just plottin, I'm plottin
I got dem where I want dem
Still on tings if you're wondering
Don't think I'm shy cause I'm quiet
I'm just plottin, I'm plottin
I got dem where I want dem
Still on tings if you're wondering

Get dough like we're obligated, dem man discombobulated
That's big boy grammar, came with a big boy blammer
Then shake hands with a kidnapper, might take the gang Ayia Napa
We used to laugh when we was bruk, you ain't laughing now what's the matter?
16 plate, E15 on the plate, wait, pull up in the Porsche, creepers wi th me of course
The rest of the mandem in the cafe "pass me the tomato sauce"
Only five man, but I'm rolling with a genuine click
Thought I woulda never of been shit
Then I gave the waiter a generous, generous tip

Don't think I'm shy cause I'm quiet
I'm just plottin, I'm plottin
I got dem where I want dem
Still on tings if you're wondering
Don't think I'm shy cause I'm quiet
I'm just plottin, I'm plottin
I got dem where I want dem
Still on tings if you're wondering
