

## Blue Sunday

J. J. Cale

Blue, blue Sunday  
You're the day that always turns me 'round  
Blue, blue sunday  
You're the day that always lets me down  
I go out saturday night  
I'm not looking for a fight  
I just wanna have a good time, with my friends  
It always winds up the same  
I forget my name  
And wind up sleeping on somebody's floor  
Blue, blue sunday  
You're the day that always turns me 'round  
Blue, blue sunday  
You're the day that always lets me down  
Blue, blue sunday  
You're the day that always turns me 'round  
Blue, blue sunday  
You're the day that always lets me down  
You're the day that always lets me down
