

That Kind of Thing

J. J. Cale

It's that kind of thing babe, no alibis
It's that kind of thing babe, shuffle or die
Going through these changes, like Mr. Right
It's that kind of thing babe, no alibis

It's that kind of thing babe, pay your dues
It's that kind of thing babe, win or lose
Going through these changes, like Mr. Right
It's that kind of thing babe, no alibis
