

## Get Me

J Mascis

I don't see you, I won't call you  
I don't know enough to stall you  
Is it me, or is it all you?  
Guess it's on and on  
On a day, maybe I'd show you  
But it's the least of all I go through  
But the thing is; I don't know you  
And it's on and on

Trembling words won't make my eyes close  
And if anyone then you'd know  
I can't find out 'cause you won't show  
And it's on and on

Every dream is shot by daylight  
And I pray maybe that you're right  
But if you don't, maybe I might  
'Cause it's on and on

You're not gonna get me through this are you  
You're not gonna get me through this are you

Well anytime I'm there to show you  
If it takes too long I know you  
Out the door just leavin' me screwed  
And it's on and on

Every dream is shot by daylight  
And I pray maybe that you're right  
But if you don't, maybe I might  
'Cause it's on and on

You're not gonna get me through this are you  
You're not gonna get me through this are you
