

Afraid

J Moss

Not gonna be afraid no more
Fear don't live here no more
Not gonna be afraid no more
Pain just walked out that door
That spirit ain't here with me
God didn't put that in me
He put the spirit of power and love and of sound mind, sound mi
nd

Wakin' up everyday thinking what I'm gonna pay with the money I
made, made
Thinkin' what I'm gone say when the wife ask me where the money
we saved, saved
Usin' loot from the gas bill to pay the rent, more loot from th
e light bill I spent
Don't wanna get the phone cause it just keep ringin', ringin'
A lot or things through the mail got me thinkin' I can make it
if I use more debt, debt
Get a refi on the crib but the loan man keep sayin' not yet, ye
t
I rob Peter, make a deal with Paul, prayin' that pink slip don'
t fall
Brotha ain't got time too much on the grind I'mma let it go tru
st God let Him know

Seems like everyday somethin' worse poppin' up on the news repo
rt, port
Should I keep the kids home from school, should I stay away fro
m the airport, port
They using fear as a weapon to provoke hate, everybody think th
e world ain't a safe place
Don't wanna use the phone cause it might be... shh somebody's l
istening
A lot of views got me all confused and I don't really know what
to think
(We got)conservatives, liberals, activist, spiritual hypocrites
on the brink(no offense)
On nations deadly call results in another nations fall
People ain't got time too much on the grind we gone let it go t
rust God let Him know

Gas up through the roof and I just bought a Hummer and converti
ble coupe(what!)
Tryna keep a little juice in the boose and the trunk but my loo
t in use
PAJAM's workin' overtime keepin' hope alive keeping Moss in the
ministry and public eye
But hypothetically what happens if the phone stops ringin'

This my belief(not gonna be afraid no more)
Of poverty(not gonna be afraid no more)
Not lossin' sleep(not gonna be afraid no more)
Of running out of money(not gonna be afraid no more)
Racism(not gonna be afraid no more)
Terrorism(not gonna be afraid no more)
Brotha ain't got time too much on the grind I'mma let it go tru
st God let Him know

PAJAM, J Moss, we ain't never scared. Shake yourself up. If you
got God on your side, you ain't got nothing to be scared of.
