

God's Got It

J Moss

I woke up this morning and I told myself
Not gon' worry about what I cannot help
People dying innocently, haters spreading rapidly
I'm not talking nepathy but some things God's gotta (work)
Woah oh
(He's gotta work) yeah ha
(He's gotta work) woah oh
(He's gotta work) yeah ha
Check it out

I ain't gonna worry bout' the money in the bank, I ain't worried bout
it
I ain't gonna worry bout' the gas in the tank, fill me up, fill me up
, I ain't worried bout' it
I ain't gonna worry bout' the things I can't control, it is, what it
is
I ain't gonna worry bout' it, all I do is pray about it, hold up, why
?
God's's got it...

I look around and my hearts a little hithered
The money scream fast and I'm looking for a blessing
People looking for jobs
No one looking for God
I know that your hurt but in time God's really gonna (work)
