

Holding On

J Moss

Sometimes it makes you wanna cry aloud
Sometimes it makes you wanna scream and shout
Sometimes you feel like it's unbearable
Sometimes the pain is so incredible (Why)
Do I feel the way I feel being a Christian and all (it's not suppose to be t
his way)
But who said that it was gonna be easy (nobody)
Do I have enough in me

How do I feel like holding on
How do I feel
How do I feel like being strong
How do I feel
How do I feel like praying on
How do I feel
How do I feel like pressing on
And the answer is JESUS
My potion JESUS
My covering JESUS
My maker JESUS
Check it out

Sometimes it's someone that you really love
Sometimes they don't know that they've lost your trust
Sometimes your heart will last, can't stop beating (thump thump.thump)
Anybody ever felt like that (Why)
Do I feel the way I do being a Christian and all (it's not suppose to be thi
s way)
But who said that the walk would be easy (nobody)
Do I have enough in me

How do I feel like holding on
How do I feel
How do I feel like being strong
How do I feel
How do I feel like praying on
How do I feel
How do I feel like pressing on
How do I feel

How do I feel like holding on
How do I feel
How do I feel like being strong
How do I feel
How do I feel like praying on
How do I feel
How do I feel like pressing on

And the answer is (JESUS)
My Savior (JESUS)
The calm in the midst of the storm (JESUS)
My Strength and my recourse (JESUS)
Everything I need, everything I am (JESUS)
The way, the truth and the light (JESUS)
Healed by his stripes (JESUS)
Deliverer to abundant life (JESUS)
You ought to call him for yourself (JESUS)

He's a way out of no way (JESUS)
When nothing else could help it's (JESUS)
When there's no one to talk to (JESUS)
