

## So Into You

J Moss

I'm so into You, I'm so into You  
God of grace, God of hope  
I'm so into You [repeat]  
I'm in love with You, I'm in love with You  
God of grace, God of hope  
I'm in love with You  
I'm in awe of you, I'm in awe of You  
God of grace, God of hope  
I'm in awe of You

There's no God above You  
Nor before You  
Ruler of nations  
Father of patience  
Your word through Christ is living inside

I'm so into You (4x)

I need more of You, I need more of You  
God of grace, God of hope  
I need more of You [repeat]

There's no God above You  
Nor before You  
Ruler of nations  
Father of patience  
Your word through Christ is living inside

I'm so into You ...
