

Don't Wake Me Up / Wide Awake

J Rice

I'm wide awake
Yeah, I was in the dark
I was falling hard
With an open heart
I'm wide awake
How did I read the stars so wrong?

Too much light in this window, don't wake me up
Only coffee no sugar, inside my cup
If I wake and you're here still, give me a kiss
I wasn't finished dreaming, about your lips

Don't wake me up, up, up, up up, up [x3]
Don't wake me...

Falling from cloud nine
Crashing from the high

I'm wide awake
I'm wide awake
Don't wake me up

So much life in the city, you won't believe
Been awake for some days now, no time to sleep
I wish I knew then, what I know now
I wouldn't dive in, I wouldn't bow down
Gravity hurts, you made it so sweet
'Til I woke up on on the concrete

Falling from cloud nine
I'm crashing from the high
I'm letting go tonight
I'm falling from cloud nine

I'm wide awake
Don't wake me up
I'm wide awake
Don't wake me up
