

Ender Dragons

J Rice

I'm waking up to TNT, I eat my pork and I craft my sword.
I'm covered in these spider webs.
They're breaking in, surprise attack, so I jump on my horse's back.
This is it, the apocalypse, whoa oh.

I'm waking up.
I made a dumb mistake enough to make an earthquake.
Welcome to a new day, to a new day
Welcome to a new day with an update.
We couldn't get worse.
Imagine dragons enderdragons.
We couldn't get worse.
Imagine dragons enderdragons.

I raise my sword don my armor it's an uprising I suppose.
We'll paint it gray to fit right in, whoa oh.
They're breaking in, surprise attack, so I jump on my horse's back.
This is it, the apocalypse, whoa oh.

I'm waking up.
I made a dumb mistake enough to make an earthquake.
Welcome to a new day, to a new day
Welcome to a new day with an update.
We couldn't get worse.
Imagine dragons enderdragons.
We couldn't get worse.
Imagine dragons enderdragons.

All Golems go, zombie's will hide
Deep in my bones infected inside.

I'm waking up.
I made a dumb mistake enough to make an earthquake.
Welcome to a new day, to a new day
Welcome to a new day with an update.
We couldn't get worse.
Imagine dragons enderdragons.
We couldn't get worse.
Imagine dragons enderdragons.
