

## Fireflies / Vanilla Twilight

J Rice

The stars lean down to kiss you  
And I lie awake and miss you  
Pour me a heavy dose of atmosphere  
'Cause I'll doze off safe and soundly  
But I'll miss your arms around me  
I'd send a postcard to you, dear  
'Cause I wish you were here

I'd like to make myself believe  
That planet Earth turns slowly  
It's hard to say that I'd rather stay awake when I'm asleep  
'Cause everything is never as it seems  
When I fall asleep

You would not believe your eyes  
If ten million fireflies  
Lit up the world as I fell asleep  
'Cause they'd fill the open air  
And leave tear drops everywhere  
You'd think me rude  
But I just stand and stare

I'll find repose in new ways  
Though I haven't slept in two days  
'Cause cold nostalgia chills me to the bone  
But drenched in vanilla twilight  
I'll sit on the front porch all night  
Waist deep in thought because when  
I think of you I don't feel so alone  
I don't feel so alone, I don't feel so alone

As many times as I blink  
I'll think of you tonight

I'd like to make myself believe  
That planet Earth turns slowly  
It's hard to say that I'd rather stay awake when I'm asleep  
'Cause everything is never as it seems

I'd like to make myself believe  
That planet Earth turns slowly  
It's hard to say that I'd rather stay awake when I'm asleep  
'Cause everything is never as it seems
