Mirrors

J Rice

Aren't you somethin' to admire?
'Cause your shine is somethin' like a mirror
And I can't help but notice
You reflect in this heart of mine
If you ever feel alone and
The glare makes me hard to find
Just know that I'm always
Parallel on the other side

'Cause with your hand in my hand and a pocket full of soul
I can tell you there's no place we couldn't go
Just put your hand on the glass
I'll be tryin' to pull you through
You gotta be strong

I don't wanna lose you now
I'm lookin' right at the other half of me
The vacancy that sat in my heart
Is a space that now you hold
Show me how to fight for now
And I'll tell you, baby, it was easy
Comin' back here to you once I figured it out
You were right here all along

It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making two reflections into one
'Cause it's like you're my mirror
My mirror staring back at me, staring back at me

Aren't you somethin', an original
'Cause it doesn't seem merely a sample
And I can't help but stare, 'cause
I see truth somewhere in your eyes
I can't ever change without you
You reflect me, I love that about you
And if I could, I would look at us all the time

With your hand in my hand and a pocket full of soul
I can tell you there's no place we couldn't go
Just put your hand on the glass
I'll be tryin' to pull you through
You just gotta be strong

'Cause I don't wanna lose you now
I'm lookin' right at the other half of me
The vacancy that sat in my heart
Is a space that now you hold
Show me how to fight for now
And I'll tell you, baby, it was easy
Comin' back here to you once I figured it out
You were right here all along

It's like you're my mirror

My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making two reflections into one
'Cause it's like you're my mirror
My mirror staring back at me, staring back at me

Yesterday is history
And tomorrow's a mystery
I can see you lookin' back at me
Keep your eyes on me
Baby, keep your eyes on me

I don't wanna lose you now
I'm lookin' right at the other half of me
The vacancy that sat in my heart
Is a space that now you hold
And show me how to fight for now
I'll tell you, baby, it was easy
Comin' back here to you once I figured it out
You were right here all along

It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making two reflections into one
it's like you're my mirror
it's like you're my mirror, mirror, mirror
