

# Never Really Over

J Rice

I'm losing my self control  
Yeah, you're starting to trickle back in  
But I don't wanna fall down the rabbit hole  
Cross my heart, I won't do it again

I tell myself, "Draw the line"  
And I do  
But once in a while, I cross the line  
And I think of you

Two years, and just like that  
My head still takes me back  
Thought it was done, but I  
Guess it's never really over  
Oh, we were such a mess  
But wasn't it the best?  
Thought it was done, but I  
Guess it's never really over

I guess I could try hypnotherapy  
I gotta rewire this brain  
'Cause I can't even go on the internet  
Without even checking your name

I tell myself, "Draw the line"  
And I do, I do  
But once in a while, I cross the line  
I think of you

Two years, and just like that  
My head still takes me back  
Thought it was done, but I  
Guess it's never really over  
Oh, we were such a mess  
But wasn't it the best?  
Thought it was done, but I  
Guess it's never really over
