

# Troublemaker

J Rice

Troublemaker, troublemaker  
That's your middle name

You had me hooked again from the minute you sat down  
The way you bite your lip got my head spinnin' around  
After a drink or two I was putty in your hands  
I don't know if I have the strength to stand, yeah

Trouble troublemaker, yeah  
That's your middle name, oh oh oh...  
I know you're no good but you're stuck in my brain  
Why does it feel so good but hurt so bad?  
My mind keeps saying, "Run as fast as you can."  
I say, "I'm done", but then you pull me back, oh oh oh...  
I swear you're giving me a heart attack

It's like you're always there in the corners of my mind  
I see your silhouette every time I close my eyes  
There must be poison in those finger tips of yours  
'Cause I keep comin' back for more, yeah...

Troublemaker,  
That's your middle name, oh oh oh...  
I know you're no good, but you're stuck in my brain  
Why does it feel so good, but hurt so bad?  
My mind keeps saying, "Run as fast as you can."  
I say, "I'm done", but then you pull me back,  
I swear you're giving me a heart attack

Maybe I'm insane  
'Cause I keep doing the same thing  
Thinking one day we gon' change  
But you know it don't work that way  
You make me forget my name  
Don't know how I don't remember  
You said "You troublemaker"

Troublemaker, yeah  
That's your middle name, oh oh oh...  
I know you're no good but you're stuck in my brain  
Why does it feel so good but hurt so bad, oh oh oh?  
My mind keeps saying,  
"Run as fast as you can."  
I say, "I'm done," but then you pull me back, oh oh oh...  
I swear you're giving me a heart attack
