

You and Me

J Rice

I didn't mean to hurt you
So why'd I let you walk out the door
You say that you don't know me
You don't know who I am anymore
But if you knew the truth then
Then you wouldn't feel insecure
'Cause if I didn't have you
Wouldn't have nothing at all

I wish you could see yourself through my eyes
I always forget that you can't read my mind

'Cause as long as I got you and me
Moving through this world as a two-man team
I'll always have everything I need
You don't even realize
What you mean
No one could fall for you quite like me
No one could get me so perfectly
You don't even realize
You're all that I need

'Cause I want you and me, you and me

I know one day we'll look back
Stories on the tip of our tongues
A library full of pages
Remembering when we fell in love

All of the broken hearts and the stupid mistakes
Have got us to where we are, it was worth all the pain
Yeah we'll look back, we'll look back and laugh

'Cause as long as I got you and me
Moving through this world as a two-man team
I'll always have everything I need
You don't even realize
What you mean
No one could fall for you quite like me
No one could get me so perfectly
You don't even realize
You're all that I need

'Cause I want you, you, you, me, me, me together
Oh I want you, you, you, me, me, me forever
You and me, you and me, you and me, ah
You and me, you and me, ah
You and me, you and me, ah
You and me, you and me
As long as I've got you
