The Great Fish

Jace Everett

They're grasping at straws, thicker than thieves
Just stumbling around for what they do and don't need

No albatross, no maritime rhyme
Just what they can float and what they can fly

So I guess I'll be on my way

Wave after wave I'm drowning
Day after day I can't breathe
I prayed and I prayed your love found me
Now set me free

I'm down in the galley of your beast
Cooking up excuses even I don't believe

If I ever wash up break out on your beach
Yeah I'll do as I'm told, no you won't have to preach

There's just so much love I can take

Wave after wave I'm drowning
Day after day I can't breathe
I prayed and I prayed your love found me
Now set me free

It's a long, long dark road to grace
