

## Adore

Jaci Velasquez

From the moment You opened my eyes  
I have seen the world in a different light  
From the dawn to the setting sun  
I am overwhelmed  
By all that You have done

Adore, adore, adore  
Jesus I adore you,  
Yes I adore,  
Adore, adore, adore  
Jesus, I adore You  
And I lay my life before You, O Lord

There's a union of two becoming one  
Deep inside my heart  
I know that I belong  
You have given everything to me  
The least that I can do  
Is give it back to you

And all I am and ever will be  
Is for You, Lord  
And everything within me cries

Adore, adore, adore  
Jesus, I adore you,  
Yes I adore you  
And I lay my life before You  
Adore, adore, adore, adore, adore  
Jesus, I adore you

And I lay my life before You  
I long to love and adore You  
I lay my life before you, O Lord  
I adore you
