Adore

Jaci Velasquez

From the moment You opened my eyes I have seen the world in a different light From the dawn to the setting sun I am overwhelmed By all that You have done

Adore, adore, adore Jesus I adore you, Yes I adore, Adore, adore, adore Jesus, I adore You And I lay my life before You, O Lord

There's a union of two becoming one Deep inside my heart I know that I belong You have given everything to me The least that I can do Is give it back to you

And all I am and ever will be Is for You, Lord And everything within me cries

Adore, adore, adore Jesus, I adore you, Yes I adore you And I lay my life before You Adore, adore, adore, adore, adore Jesus, I adore you

And I lay my life before You I long to love and adore You I lay my life before you, O Lord I adore you
