

God Who Moves the Mountains

Jaci Velasquez

He is not confined, He confounds
He will not resign, He resounds
He is not restrained, oh hear the sound
Oh hear the sound

The rocks are falling
The broken calling
To the God who moves the mountains

The earth is shaking
The weary waking
To the God who moves the mountains
The God who moves the mountains

He is not surprised, He surrounds
He can not be stopped, He astounds
He is drawing near, oh hear the sound
Oh hear the sound

The rocks are falling
The broken calling
To the God who moves the mountains

The earth is shaking
The weary waking
To the God who moves the mountains
The God who moves the mountains!

You say speak, and we say, "move"
And You say watch, what You can do
You say trust, and then You prove
You're the God who moves the mountains
The God who moves the mountains

You say speak, and we say, "move"
You say watch, what You can do
You say trust, and then You prove
You're the God who moves the mountains
You gotta move this mountain!!!

The rocks are falling
The broken calling
To the God who moves the mountains!

The earth is shaking
The weary waking
To the God who moves the mountains
The God who moves the mountains

The rocks are falling
The broken calling
To the God who moves the mountains

My earth is shaking
The weary waking
To the God who moves the mountains
You gotta move this mountain!!!

Uh-huh, this mountain
Yeah!
Uh-huh huh-uh
Yeah-ehh
We trust You
We know You
