

## In Green Pastures

Jaci Velasquez

Make me lie down in green pastures  
Teach me to trust and to know that You are God  
Lead me beside Your still waters  
Restore my heart, refresh my soul

Only You can take me to a peaceful quiet  
Where all that I can hear is just a fear  
That quickly slips away  
I can feel You closer when the world is silent  
So hush my thoughts and slow my steps  
Guide me where I'll find that place

Make me lie down in green pastures  
Teach me to trust and to know that You are God  
Lead me beside Your still waters  
Restore my heart, refresh my soul

Help me catch my breath and just be in Your presence  
Even when I try to run  
Please keep Your love surrounding me  
Far below the sea and in the heights of heaven  
I feel Your spirit near me and I hear Your voice  
It's calling, calling me

You are my Savior, You're my Shepperd  
You give me comfort night and day  
Beside the streams healing waters

Make me lie down in green pastures  
Teach me to trust and to know that You are God  
Lead me beside Your still waters  
Restore my heart, refresh my soul  
Yeah, yeah

Make me lie down in green pastures  
Teach me to trust and to know that You are God  
Lead me beside Your still waters  
Restore my heart, refresh my soul

Restore my heart, refresh my soul  
Please Jesus  
Restore my heart, refresh my soul  
Teach me to trust You  
Trust You
