

My Alleluia (When Words Fail)

Jaci Velasquez

Reaching, searching for some way
So much emotion to convey
Loving Father
Hear me as I offer

My Alleluia
Hear beyond the words I bring
My Alleluia
The song my speechless heart still sings
My Alleluia
And hear my prayer
When my words fail

Falling, presence, my true home, send your mercy
Draw me close, Holy Father
I place on the altar

My Alleluia
Hear beyond the words I bring
My Alleluia
The song my speechless heart still sings
My Alleluia
And hear my prayer
When my words fail

Reaching, searching for some way
