My Alleluia (When Words Fail)

Jaci Velasquez

Reaching, searching for some way So much emotion to convey Loving Father Hear me as I offer

My Alleluia Hear beyond the words I bring My Alleluia The song my speechless heart still sings My Alleluia And hear my prayer When my words fail

Falling, presence, my true home, send your mercy Draw me close, Holy Father I place on the altar

My Alleluia Hear beyond the words I bring My Alleluia The song my speechless heart still sings My Alleluia And hear my prayer When my words fail

Reaching, searching for some way
