

Rest

Jaci Velasquez

Slow me down enough to hear Your voice
Speak Your words of mercy over all the noise
Quiet the lies that blind me from the truth
I am Yours, I am Yours

Lord I will rest in You
Lord I will rest in You
Trusting in all You do
Lord I will rest in You

Lord I will rest in You
Lord I will rest in You
Trusting in all You do
Lord I will rest in You

Let Your living waters wash me
Healing every part that no one ever sees
I give You my heart, my one desire, my King
I am Yours, I am Yours

Lord I will rest in You
Lord I will rest in You
Trusting in all You do
Lord I will rest in You

Lord I will rest in You
Lord I will rest in You
Trusting in all You do
Lord I will rest in You

You are my shelter
You are my shelter
You are my shelter
And I will rest in You alone

You are my shelter
You are my shelter
You are my shelter
And I will rest in You

Lord I will rest in You
Lord I will rest in You
Trusting in all You do
Lord I will rest in You

Lord I will rest in You
Lord I will rest in You
Trusting in all You do
Lord I will rest in You
