

# Satan You're A Liar

Jaci Velasquez

You said I'd never make it  
Oh you said I'd wouldn't last  
You said I'd be returning  
To my actions of the past  
With the crowd I used to run with  
Saying the things I used to say  
But I wish you'd stand back  
And take a look at me today

Satan, you're a liar  
You're a liar  
You should know by now I know you are a liar  
Oh there's one thing you can't deny  
You're the father of every lie  
You're a liar

I gave my heart to Jesus  
You laughed and I heard you speak  
I remember you spoke through someone  
That it would not last a week  
But I've walked with the Master  
Through the flood and through the fire  
And if I've learned anything at all  
I've learned you are a liar

You're a liar  
Satan you're a liar  
You should know by now I know you are a liar  
There's one thing you can't deny  
You're the father of every lie  
You're a liar

I know you are everything  
In this world except my friend  
And yet still you have the courage  
The nerve to come around and bother me again  
I mean  
You tell me that I'm not born again  
Heaven is not reality  
If Jesus Christ is not the Son of God  
Well Satan listen good to me

You're a liar  
Satan you're a liar  
You should know by now I know you are a liar  
There's one thing you can't deny  
You're the father of every lie  
You're a liar  
Satan you're liar  
(You're liar)  
(You're liar)  
Satan you're liar  
(you're liar)  
Satan you're liar  
In the name of Jesus I demand you to leave (You're liar)  
I know you're liar  
(You're liar)

(You're liar)  
(You're liar)  
(You're liar)  
(You're liar)  
(You're liar)
