

## Day Dreaming

Jack & Jack

I got vampire tendencies  
Biting your neck  
Sweat dripping down  
While your hands on my chest  
But I love it  
And she love it too  
Stars on my roof  
We parked up on Moon, honey  
Tell you the truth  
Girl, I think that I'm falling  
But I love it  
And you love it too

So pour up another drink now  
'Cause I don't really wanna think  
I just want you on me now  
So I can feel your heartbeat  
Kiss me underneath the moonrise  
Shotgun in the Jeep  
It's paradise, it's just you and me  
'Cause I'm...

Daydreaming  
Yeah I'm daydreaming  
Dreaming with you

Late weekends  
Daydreaming  
They all want you  
For the same reason  
Me I'm in it for the long haul girl  
I want ya till you ain't breathing  
'til you ain't breathing  
I hit it from the back  
Stay screaming  
Like oh, oh, oh  
And I don't even sing  
But you make me wanna do things I don't do  
It's true I'm like  
Oh got me singing like  
Oh, oh, oh

So pour up another drink now  
Cus I don't really wanna think  
I just want you on me now  
So I can feel your heartbeat  
Kiss me underneath the moonrise  
Shotgun in the Jeep  
In paradise, we don't need sleep  
'Cus I'm...  
Daydreaming, dreaming  
Yeah I'm daydreaming  
Dreaming with you

Oh I love it  
And she love it too  
So we love it

It's a dream come true  
We're lovin'  
It feels so brand new  
It's paradise here  
In this room

I'm dreaming when I'm with you  
Yeah, yeah, oh, oh, oh, oh, oh  
I'm dreaming when I'm with you
