# Do It For Me (DIFM)

**Jack & Jack**

I got a problem
With the girls that
I like to find.

Thinkin' it fly
Like they know
Too much
Dancin' round the
Truth like it
Can't be tied

For a moment
I thought I had you

Déjá Vu
Déjá Déjá
Déjá Déjá
Vu
Déjá Déjá
Déjá Déjá
Vu

Whatchu doin' in a place like this?
With a smile like that
If I pull you in
Would you fall right back?

Tell me that
You'd do it for me

(Would you do it for me?)
Ohh
Do it for me
Would you do it for me?
Do it for me [x3]

Yeah, yeah, yeah
Do it for me [x3]
Yeah, yeah, yeah

Do it for me
I got a problem with
The girls that I like to find.

M,m,m
Okay

We're simply staring at
Each other,
It's getting old
Some people think it's
Time to pack your bags
And hit the road,
No more butterflies in
My stomach that used
To flutter,
But girl you know,

I'd still do it for you
I just wanna know

Would you do it for me?

Only time's gonna show
They say that love's blind
But the blinds don't fold.
So the mornin' sun shine
Through that open window,
Through the same damn
Place that our love
Got thrown

If only you were with me
I could show you
Everything that I've
Learned.

I still see you every
Corner I turn
It's got me goin' Berzerk
I try to get my mind off
You, other girls didn't work

Thinkin' of you messin'
Around
It put me straight in the dirt

Mentally, that is.

If it's meant to be then when?
When is there a sign from God?
How much deeper should I get?
Questions on questions.

Is it worth it?
Am I really in-
Love as they call it?
Or can I handle this
While gettin' big?

Damn,
But you can't dwell
On the past cuz
Good things tend to
Pop up and dash

My life is movin' too
Fast
I can't even take my
Foot off the gas
Who the fu- is that?
I gotta ask

Whatchu doin' in a place like this?
With a smile like that
If I pull you in
Would you fall right back?

Tell me that
You'd do it for me

(Would you do it for me?)
Ohh
Do it for me
Would you do it for me?
Do it for me [x3]

Yeah, yeah, yeah
Do it for me [x3]
Yeah, yeah, yeah
Would you do it for me? [x3]
