

# Used to You Now

Jack & Jack

Yeah  
Oh, woah

No more, no more, no more (No more)  
It sucks, I can't take no more  
It's just like my blood's running high  
I'm tired of us  
2-4, 2-4, 2-4  
I was in a day, did my heart's at war  
My new Rolls won't start  
Got me thinking some thoughts like, like

What, what the fuck is this?  
The feels in my chest are making me change my tempo (My tempo)  
You know I'm a mess  
And you kinda like it, you kinda like it, oh

Getting used to you now  
And it's freaking me out  
It's freaking me out (Freaking me out)  
You were just in my bed  
Now you're stuck in my head  
I'm stuck on you now (Woah)  
It's making me anxious  
I love and I hate this, yeah  
Yeah, yeah, yeah  
Getting used to you now  
And it's freaking me out  
It's freaking me out

Yeah, girl, you're my new routine  
Up on my schedule where these other players used to be  
Yeah, I got like two or three reasons why  
You and me, we need to find a room for 3  
I'm in for 2, unless your friends, she wanna ride (Ride)  
What the fuck is up, girl?  
You're more than enough  
Girl, it's freaking me out  
How you made me fall  
Quicker than that dress you're taking off  
Oh yeah, oh, yeah, oh, oh, yeh

Getting used to you now  
And it's freaking me out  
It's freaking me out (It's freaking me out, it's freaking you out)  
You were just in my bed  
Now you're stuck in my head (Oh, baby)  
I'm stuck on you now (Woah)  
It's making me anxious  
I love and I hate this, yeah  
Yeah, yeah, yeah  
Getting used to you now  
And it's freaking me out  
It's freaking me out

I'm getting used  
Getting used to you now (Yeah, I could get used to you now)

I'm getting used  
Getting used to you now  
I'm getting used  
Getting used to you now (Yeah, I'm getting used to you now)  
I'm getting used  
Used to you now, used you now  
Getting used to you now  
Now I'm used to you now

Getting used to you now  
And it's freaking me out  
It's freaking me out  
You were just in my bed  
Now you're stuck in my head (Stuck)  
I'm stuck on you now (Woah)  
It's making me anxious  
I love and I hate this, yeah  
Yeah, yeah, yeah  
Getting used to you now  
And it's freaking me out
