

Ode to Dennis

Jack Black

Go now, Dennis
Change Dawn's life, Dennis
Go on a journey and think of me, Dennis
Go now, legendary wolf of my dreams
My doggie, doggie, doggie
My Dennis
Awoo-oooh

Ah Dennis, you my boy
My scruffy-snuffy-luffy-dufalous
My partner in crime, my adventurer
We're a real team, a duo
When we work together, there's nothing we can't do
Oh-ho-ho-ho Dennis
You're a dream come true
You came to me in an hour of need
You picked me up when I was feelin' low
When I look into your eyes, I see the true love that I've always needed
And I know you feel the same

Dennis, you're the one for me
I feel the love and the sympathy
We going to infinity
Me and Dennis gots to be
When we feel emotions rise
Now you got to sympathize
Well, it's time to say goodbye, but you got to know
When the feelings flow
That's Dennis
Woah-oh-oh

It's time to say goodbye
Got to let you go
It gonna break my heart
I gotta let you go
To a brand new start
You're gonna change her life
Like you know you changed mine
You're gonna drink the juice
You're gonna drink the wine
Woah-oh-oh Dennis
We're talking Dennis
Dennis
Oh yeah, baby, now, Dennis

Forever
For life
Infinity
And beyond
I guess that's
That's all I got to say about Dennis
Dennis
