I could watch you for a lifetime  
You're my favourite movie  
A thousand endings  
You mean everything to me

I never know what's coming  
Forever fascinated  
I hope you don't stop running  
To me 'cause I'll always be waiting

You are a cinema  
I could watch you forever  
Action, thriller  
I could watch you forever  
You are my cinema  
A Hollywood treasure  
Love you just the way you are  
My cinema

My cinema  
Love you just the way you are  
My cinema

The stars spell out your name  
Like a science-fiction drama  
Romance growing  
Like a flower in the summer

You always keep me guessing  
Forever my wonder  
Hope you start undressing  
All my dreams and take me under

You are a cinema  
I could watch you forever  
Action, thriller  
I could watch you forever  
You are my cinema  
A Hollywood treasure  
Love you just the way you are  
My cinema
