Jack Gray

Just took my foot off the neck of a lioness  
I can be fooled once, fooled twice  
I'm out of it  
I'm such a stain won't you paint me however you see me I won't  
close my eyes  
I dreamt of you in the middle of gym class  
Had one foot in, one foot out  
Much like the middle class  
I can't relate to the person I was when I held you so effortles  
sly  
I said hey

I'm not trying to be saved  
I'm not crying it's just raining  
I'm not lying it's all fake  
What can I say  
Just stay out my

Way home from school  
Got the jones, got the blues  
Got it all figured out  
Well all of it but you  
I'm such a pain won't you paint me however you see me I won't a  
ct surprised  
Just took my foot off the neck of a lioness  
She cut me once, cut me twice  
No denying it  
I can't relate to the person I was when I held you so innocentl
