My Hands

Jack Gray

I'm not sure what this is like
Four steps forward, two steps right
'Round in circles, I don't mind
I've said this before
Cause I know what you're like

Take me down or take me out
Take me down or take me out

You talk too much
I can't keep up
'Cause you took my head
When you took my hands
I'm all choked up
That's close enough
'Cause you took my head
When you took my hands, oh

Your lips taste like 2AM
Same old story, different end
Is that the reason you keep on feigning
All of these empty thoughts you believe in
This one's on me though
'Cause I keep on feeding
Sure this is fun but that's all it is so

Take me down or take me out
Take me down or take me out

You talk too much
I can't keep up
'Cause you took my head
When you took my hands
I'm all choked up
That's close enough
'Cause you took my head
When you took my hands, oh

Took my hands, oh
You took my hands, oh
You took my hands, oh
You took my hands, oh
You took my hands, oh
You took my hands, oh
You took my hands, oh
You took my hands, oh

You know it's heavy on your chest oh man
It's happening all over again oh damn
It's nothing we could never bare to stand
It started when you took my hands, oh

Take me down or take me out
Take me down or take me out

You talk too much
I can't keep up

'Cause you took my head
When you took my hands
I'm all choked up
That's close enough
'Cause you took my head
When you took my hands, oh
