

The Chain

Jack Gray

Listen to the wind blow
Watch the sun rise
Running in the shadows
Damn your love, damn your lies

If you don't love me now
You will never love me again
I can still hear you saying
You will never break the chain

If you don't love me now
You will never love me again
I can still hear you saying
You will never break the chain

Listen to the wind blow
Down comes the night
Running in the shadows
Damn your love, damn your lies
Break the silence
Damn the dark, damn the light

If you don't love me now
You will never love me again
I can still hear you saying
You will never break the chain

If you don't love me now
You will never love me again
I can still hear you saying
You will never break the chain
