

## 5-0

Jack Harlow

Said I'm from the 5-0  
I don't fuck with 5-0  
Whipping through your neighborhood  
They telling me to drive slow, I don't  
Man I swear I'm in my zone  
Looking in the mirror, someone tell me where the time goes

Yeah I got the key in the ignition  
Yeah I'm bout my business  
Yeah I know you say I'm on a mission  
Yeah you know I'm disrespectful  
I be creeping through the kitchen  
Up at 2AM, I'm tiptoeing  
Reaching to the fridge to get some orange juice  
Yeah I'm sipping straight out the jug  
No my family wouldn't like it  
But I ain't give a fuck  
Say what you want  
Don't nobody do like this  
I go from cautious to reckless soon as the moonlight hits  
Now we ridin' round, ridin' round  
Taking in the sights and sounds of this side of town  
Looking for experience that I can write about  
And I take advantage of my time 'fore my time is out  
Cause I said I'm

Said I'm from the 5-0  
I don't fuck with 5-0  
Whipping through your neighborhood  
They telling me to drive slow, I don't  
Man I swear I'm in my zone  
Looking in the mirror, someone tell me where the time goes  
Said I'm from the 5-0  
I don't fuck with 5-0  
Whipping through your neighborhood  
They telling me to drive slow, I don't  
Man I swear I'm in my zone  
Looking in the mirror, someone tell me where the time goes

I'm so well-behaved, respectful til the sun goes down  
After that there really ain't no telling what's going down  
They giving us advice  
But we living how we like  
People saying what the fuck  
But we ain't givin' under night  
When my parents get to asking  
Bout what we've been busy doing  
It's a song about everything  
I don't never mention to 'em  
Shit is grown, we've been plotting in an empty lot park  
Speeding down the street, I'm looking out for cop cars  
Just a couple blocks away from the police station  
And I ain't fucking with the pigs, like I don't eat bacon  
Always had trouble respecting limits  
Tonight is such a blessing, I wish it was never-

Said I'm from the 5-0

I don't fuck with 5-0
