

# Same Guy

Jack Harlow

I can't keep letting shit slide  
Thought that I would change  
But I'm the same guy  
Blamed it on my youth  
But I know I've had time  
Now when it comes to you and I  
All that I ever did was tell lies  
Am I gonna keep this up til I die?

Does it add up when you do the bad stuff?  
Time keeps moving past us  
If they gon' shoot, then I pray they end up shooting past us  
Temptations that I knew to pass up, but I didn't  
When I said I love you, know I really thought I meant it  
Can I go to heaven? Is there time to put my bid in?  
I'm no longer a kid, I should probably quit the kidding  
And the playing  
I wanna do the right thing, man, that's all I'm saying  
I can't keep blaming entertainment  
And the money and the fame that I been attaining  
As the reason for these girls that I'm entertaining

I can't keep letting shit slide  
Thought that I would change  
But I'm the same guy  
Blamed it on my youth  
But I know I've had time  
Now when it comes to you and I  
All that I ever did was tell lies  
Am I gonna keep this up til I die?

These are my confessions  
Couldn't say it to you  
So that's why I booked this session  
The company I kept and I slept with  
Kept me from being all alone with my reflection  
Trust me, now I know that you a blessing  
All these white lies are growing to life-size  
I don't wanna split, but I know it's the right time  
You don't want to look  
But you know there's a bright side  
If you got a feeling like mine  
Sing it like

I can't keep letting shit slide  
Thought that I would change  
But I'm the same guy  
Blamed it on my youth  
But I know I've had time  
Now when it comes to you and I  
All that I ever did was tell lies  
Am I gonna keep this up til I die?

(Ooh, until I die)  
(Ooh Lord, Jetson made another one)
