

# Selfish

Jack Harlow

Lately I been wondering what the fuck you keep doing  
Got me running round in circles shit is fucking confusing  
I can tell that you ain't happy you don't wanna go through this  
I know you think that I don't love you  
I been wanting to prove it, but uh  
Lately my mind been on other things  
And I want you but I want a few other things  
Tell the truth there some girls that I want to bang  
I ain't say I'm going to, but I don't wanna change  
And I know I'm not giving you the attention you deserve  
And I understand if you gotta kick me to the curb  
But I know you don't wanna you just wish that this would work  
We been going through it, but I guess you live it and you learn  
Man this shit is so berserk  
Things been bad but they getting kinda worse  
We can end things now, before you leave town  
But, if I hear something it's gon' hit me where it hurts cause

You say, you say, you say that  
We should take a break, we should take a break  
And just hope it helps cause  
I can't, (I can't nah), I can't, (I can't do it), I can't  
I don't wanna think, I don't wanna see  
You with no one else

Here I go thinking with my dick again  
Here you go making me believe you wanna get with him  
You ain't fucking with them fellas  
But you love to make me jealous, I been seeming so indifferent  
Guessing you ain't getting all the loving that you wish you did  
Clearly we got issues you ain't bring to my attention  
Yeah until you got fucked, but I'm the one that's fucked up  
So don't think that I've been innocent  
I know you saw this coming  
I know being happy's really all you wanted  
(And you know I, I wish I didn't, you know, fuck that shit up for you  
every time but uh)  
I wish we could rewind things back  
When you fell in love with a guy named Jack  
I know lately I've been trying to have it my way but  
Maybe I just really want what I can't have

You say, you say, you say that  
We should take a break, we should take a break  
And just hope it helps cause  
I can't, (I can't nah), I can't, (I can't do it), I can't  
I don't wanna think, I don't wanna see  
You with no one else
