

# Too Much

Jack Harlow

She said that I tell her that she pretty too much, hey  
I grew into them skinnies, used to rock them boot cuts  
Say I told her that ain't nothin' like it in that new nut  
Ayy, I heard 'em talkin' shit, I guess they thought they knew us, hey

Uh, knew us, hey  
Uh, knew us, hey  
Uh, knew us, yeah  
I'm too much, ayy  
I'm too much, ayy  
I'm too much, ayy, listen

Ayy, bitch I'm in the south, that's right there off of New Cut, ayy  
Only on occasion, that ain't where I grew up, ayy  
Bitch I'm from the H, that's where they show my crew love, ayy  
Pull up to yo' function, we might tear the roof up, ayy  
Roof up, ayy

Yeah, yeah, yeah  
Keep it rolling, ayy
