

# Dallas

Jack Ingram

Did you ever see Dallas from a DC-9 at night  
Well Dallas is a jewel, oh yeah, Dallas is a beautiful sight  
And Dallas is a jungle but Dallas gives a beautiful light  
Did you ever see Dallas from a DC-9 at night

Well, Dallas is a woman who will walk on you when you're down  
But when you are up, she's the kind you want to take around  
But Dallas ain't a woman to help you get your feet on the ground  
Yes Dallas is a woman who will walk on you when you're down

Well, I came into Dallas with the bright lights on my mind  
But I came into Dallas with a Dollar and a dime

Dallas is a rich man with a death wish in his eyes  
A steel and concrete soul with a warm hearted love disguise  
A rich man who tends to believe in his own lies  
Dallas is a rich man with a death wish in his eyes

Well, I came into Dallas with the bright lights on my mind  
But I came into Dallas with a Dollar and a dime
