

## Easy as 1, 2, 3, (Part II)

Jack Ingram

Everybody's lookin for someone to blame  
Everywhere I go it's the same  
I got a hole in my heart that I cannot name  
And I just can't keep from trying to

The other day you shoulda heard my girl  
I came home laughin' as the flags unfurled  
She said you better find a way to love in this world  
I said baby you know I'm just dyin to

I need something to make me feel better  
Something simple even enough for me  
I need something to make me feel better  
Something as easy as 1,2,3  
Something as easy as 1,2,3

Everything I wanted is so overrated  
I almost had it all and I'm still frustrated  
Why's it got to be so damn complicated  
Sometimes I just can't take it

I walk outside and I stare at the sky  
Inside a second a star shoots by  
And I think to myself man what a lucky guy  
One blink and I would have missed it

I needed something to make me feel better  
Something simple enough for me  
I needed something to make me feel better  
I needed something as easy as 1,2,3  
I need something to make me feel better  
Something simple enough for me  
I need something to make me feel better  
Something as easy as 1,2,3  
Something as easy as 1,2,3
