

# Heartache

Jack Ingram

It would be a good fight, baby, let's not do it  
I bet love knows a way around it, we don't have to go through it

This time we could skip right to the end  
To that making up part where the loving starts

Sometimes we don't need that heartache  
This night we could find a way to lose the pain  
We don't need the tears, we don't need the hurt  
Baby, all we need is to make it work

Sometimes we don't need it  
We don't need it, we don't need the heartache  
Oh no, we don't need the heartache

I've been right before a lot of good that did me  
Bad habits die hard, baby, nothing great comes easy  
One sure way we're gonna win is if we both lay down  
I'll give up, you give in

Sometimes we don't need the heartache  
This night all we need is love to ease the pain  
We don't need the tears, we don't need the hurt  
Baby, all we need is to make it work

Sometimes we don't need it  
We don't need it, we don't need the heartache  
We don't need the tears, we don't need the hurt  
Baby, all we need is to make it work

Sometimes we don't the heartache  
This night all we need is love  
Sometimes we don't need the heartache  
This night all we need is love

Sometimes we don't the heartache  
This night all we need is love  
Sometimes we don't need the heartache  
This night all we need is love

Sometimes we don't the heartache  
This night all we need is, all we need is love  
Sometimes all we need is love  
All we need is love
