

I Feel Like Drinking Tonight

Jack Ingram

Well, they say if you can't beat 'em join 'em
Now what would I wanna do that for
Well, I ain't saying the world's out to get me
I just ain't beating myself up any more
And I ain't trying to save everybody
I'm just trying to have a good time
So I'll be at the bar having a cold one
Cause I feel like drinking tonight

Some people don't go around mirrors
Scared what they'll find inside
Well, I ain't avoiding nothing or nobody
See I got nothing to hide
So go on ahead if you want to
And turn on my closet light
Well, I'll be here at the bar
While you expose me
I feel like drinkin' tonight

And I'm tired of dying
Just a prove life's worth living
And everything's going to work out just fine

Well, if you've ever been put down for nothing
You'll find company here
No crying, complaining for something
We already know life ain't fair
I ain't going to put up a protest
I find the best way to fight
Is to have a good time
And make it a long one
I feel like drinkin' tonight
So poor me a drink
And make it a strong one
I feel like drinkin' tonight
