

Making Plans

Jack Ingram

You say tomorrow that you'll be going
It's so hard for me to believe
Well, I'm making plans for that heartache
'Cause you're making plans to leave

The tears for me will be falling
Well, like a tree shedding it's leaves
Well, I'm making plans to be lonesome
'Cause you're making plans to leave

You're making plans to forget me
I'm making plans to miss you
I'm getting ready to grieve

I'm making plans to be lonesome
'Cause you're making plans to leave

You're making plans to forget me
I'm making plans to miss you
I'm getting ready to grieve

I'm making plans to be lonesome
'Cause you're making plans to leave

You're making plans to forget me
I'm making plans to miss you
I'm getting ready to grieve

I'm making plans to be lonesome
'Cause you're making plans to leave
I'm making plans to be lonesome
'Cause you're making plans to leave
