

Never Ending Song of Love

Jack Ingram

As you tell I'm trying to make it as ugly as possible
We got old Chuck, who's driving?
Honey, I love you

I've got a never ending love for you
From now on that's all I wanna do
From the first time we met I knew
I'd have a never ending love for you

I've got a never ending love for you
From now on that's all I wanna do
From the first time we met I knew
I'd have a never ending love for you

After all this time of being alone
We can love one another
Live for each other from now on
All right, it feels so good
I can hardly stand it

Never ending love for you
From now on that's all I want to do
From the first time we met I knew
I'd have a never ending love for you

Yep, after all this time of being alone
We can love one another
Live for each other from now on
All right, it feels so good
I can hardly stand it

Never ending love for you
From now on that's all I want to do
From the first time we met I knew
I'd have a never ending love for you
I love you, I love

I love you, I'll love you forever
If you're good to me...
Merry Christmas

After this I'll try to find a way to get out of here
